

The Conceit Song (apologies to 'Somethin'Stupid')

I know you stand in line

Until you think I'll have the time

For you to meet with me

And if we go someplace to dance

You know that there's a chance

You won't be leaving with me

And afterwards we drop into a quiet little place and have a drink or three.

And then you'll go and spoil it all, by saying something stupid like: "you love me".

"You can see it in my eyes that I despise the same old lies I heard the night before

And though it's just a line for me,

For you it's true,

And never seemed so right before

You practice every day to find some clever lines to say,

To make the meaning come true

But then you think you'll wait until the evening gets late, and I'm alone with you.

(Repeat)

The time is right; my perfume fills your head,

The stars get red, and oh, the night's a dream.

And then you'll go and spoil it all, by saying something stupid like:

"You love me." (Repeat)

"Something Stupid"

I know I stand in line
Until you think you have the time
To spend an evening with me
And if we go someplace to dance
I know that there's a chance
You won't be leaving with me

Then afterwards we drop into a quiet little place
And have a drink or two
And then I go and spoil it all
By saying something stupid
Like I love you

I can see it in your eyes
You still despise the same old lines
You heard the night before
And though it's just a line to you
For me it's true
And never seemed so right before

I practice every day to find some clever
lines to say
To make the meaning come true
But then I think I'll wait until the evening
gets late
And I'm alone with you

The time is right
Your perfume fills my head
The stars get red
And oh the night's so blue
And then I go and spoil it all
By saying something stupid
Like I love you
I love you...
