

Please come home for Christmas

My mailbox's ringing the sad, sad news
Oh, what a Christmas to have the blues
My income's gone, can't pay the rent
CRA's saying: You're broke again

The Agency's singing: 'Don't fight'
Reading our letters - by candlelight
Please pay by Christmas, please pay by Christmas
If not by Christmas, by New Year's night

Friends and relations make recommendations
Sure, as the stars they say it's 'bull'
Forget the letters - Cheer without fear
This time of year - remain eligible

So won't you tell us you'll never more roam?
Christmas and New Year's will find you home
There'll be no more sorrow, no grief and pain
The Agency's happy, happy once again

Ooh, there'll be no more sorrow, no grief and pain
CRA is happy, paid once again
